### ***Description:***

***Spacious single storey villa in what we think is the most beautiful part of a very beautiful island. Private 8x4 swimming pool with gentle roman steps from patio level down into the shallow end. Large gardens and views of both the sea (approx 200 metres away) and the mountains behind. The villa is close to a hidden beach for a perfect swim or lazy day. The house is wheelchair accessible with a gentle ramp leading down from the door to the patio. The master bedroom has an en-suite shower room with grab rails and a shower stool. The villa is in Kayalar, which is around half an hour's drive along the coastal road from Kyrenia and its favour harbour. There is a restaurant and essential shop within walking distance and numerous choices of shops and restaurants within a fifteen minute drive.***
